A formal communication was received duty of the Burgan of Banking. The subject of banking, and defines the duty of the Bureau of Banking. The bill is one of the most extensive before this General Assembly, covering more than 100 printed pages. Mr. Stephenson moved to pass it by on the ground that members had not had time to familiarize themselves with its contents. Mr. Montayne protested explosiin appointing John W. Williams, clerk of the House of Delegates, a member of last official staff. Amid general laughter, the resolution was amended to require Colonel Williams to attend on his duttes in the House in full dress win.

THE SENATE

The Senate rested yesterday from its strenuous day with the enabling act on Friday and devoted exactly thirty minutes to hearing reports from standing committees and receiving new bills. Lieutenant-Governor Ellyson convened the Senate at the noon hour, and Rev. E. V. Carson, pastor of Fairmount Methodist Episcopal Church, offered prayer. At 12:30 o'clock the holy took a recess to join the House in listening to the address of Mrs. Martin W. Littleton. The session was resumed at 1:16 o'clock, and adjournment followed five ton. The session was resumed at 1:16 o'clock, and adjournment followed five minutes later.

minutes later.

Senator Gravatt renewed the motion he made last week, to discharge the Committee on Privileges and Elections from further consideration of the primary bill introduced by him in the early days of the present session. The motion was opposed by Senator Helmotion was opposed by Senator Helmotion was opposed by Senator Helmotion, a member of the same committee, assured the Senate that an effort will be made to report a primary bill next week. The Gravatt motion was put and was defeated by a substantial majority.

Discourtesy to Governor.

I made this motion for only one purpose," said Senator Echols, with some warmth. "The Senate failed to carry the motion to give Mrs. Littleton a hearing because the members were not interested enough or were too indifferent to vote. I wanted to see if they could rouse up enough interest to vote on a motion to adjourn. I am glad they voted the motion down. Now, the Senate can decide for itself whether it shall take a recess to attend the hearing in the House, or not. A refusal to do so, it seems to me, would be a decided act of discourtesy not only to Mrs. Littleton, but to the Governor of this State. If the Senate chooses to be discourteous to the Governor, I have nothing further to say."

Senator Royall at once took the floor and moved a reconsideration of the vote, by which the Senate declined to take a recess. As one of the Senators who voted against the motion, he said, he wanted to move its consideration since he believed that the hody had voted it down without being conscious of the possible discourtesy that its act might involve. The Senate voted unanimously to reconsider, and a moment later adopted a new motion to take a recess until 1 o'clock. Discourtesy to Governor. MINISTERNISH PROPERTY OF THE P

TAKE SALTS IF YOUR BACK HURTS SAYS DRUGS EXCITE THE KIDNEYS

Salts harmless to flush Kidneys and neutralize uric acid, thus ending Bladder trouble.

When your kidneys hurt and your occed to load your stomach with r ot of drugs that excite the kidneys nd irritate the entire urinary tract. Keep your kidneys clean like you keep our bowels clean, by flushing them with a mild, harmless salts which rewith a mild, harmiess saits which removes the body's urinous waste and stimulates the to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from 1t 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and been used for generations to clean and becaused for generations to clean and the salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and the salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and the salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and the salts is made from the acid of grapes and lemon juice, combined with lithia, and has the salts is made from the acid of grapes and lemon juice, combined with lithia, and has completely a salts is made from the acid of grapes and lemon juice, combined with lithia, and has completely a salts is made from the acid of grapes and lemon juice, combined with lithia, and has completely a salts is made from the acid of grapes and lemon juice. Before business could be resumed Senator Echols moved that the Senate adjourn. The motion took the Senate by surprise, and was defeated by a loud chorus of "noes."

Jad Salts is inexeposive; cannot injure; makes a delightful effervescent lithia-water drink which every one should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking. and no doubt you will wonder what be-came of your kidney trouble and back-ache.—Advertisement,

\$39,000 For Better Gas Service!--

Our engineers report that it will take a minimum expenditure of more than \$39,000.00 in the homes in the first year to give the gas-users of Richmond SAT-ISFACTORY SERVICE.

Our laws do not permit the City Gas Plant to make this improvement, as is explained on page 9 of "CHEAPER GAS."

This \$39,000.00 will come out of our funds, and will in no way affect the sum guaranteed the city for the leasing of the gas plant.

Nor will it be charged to the users of gas—they will save 10c PER THOUS-AND FEET—\$54.000!

Read what we propose to do in our booklet, "CHEAPER GAS."
